

## PRIVACY POLICY

In order to process your booking and carry out the transfer service and any related activities (e.g. billing) we require certain personal data. We collect information you provide when you book (including your name, address, phone number, e-mail address, credit or bank card number, information on special care).

We use your information to provide our services. We may also use your data to communicate with you for administrative or operational purposes.

By providing us with your personal data, you acknowledge and explicitly consent to Plus Group Kft processing your personal data in accordance with this Policy and the relevant laws and regulations, including utilization of the data by Plus Group Kft employees and the transmission of the data within or outside Hungary as specified herein. If you need special care and you request special assistance by providing us with information relating to your physical condition, you consent to and authorize us to use and, to the extent necessary, transfer such data so that we can take steps to provide this service.

Disclosure of your data to other parties may be necessary to ensure the smooth provision of the products, services and information you request. For these and the above mentioned purposes we may allow access to your information by other parties who act for us as our data processors for the purposes set out in this policy or for other purposes approved by you.

You are hereby notified of and expressly consent to the disclosure, with no additional notification in relation to such a disclosure, of your data by Plus Group Kft. to the following data processor all transfer companies providing services to Plus Group Kft.

We take reasonable technical and security measures to ensure the protection and safe storage of your personal data and to protect your personal data from unauthorised access, utilisation and being tampered with or unauthorised deletion. We pay special attention to the safe transmission of the personal and financial data. We may use your data for analytics purposes, for quality improvement, for service development, to improve the performance of the website, to measure the success of our advertising campaigns or to tailor services to your queries.

By subscribing for newsletters you expressly consent to receive direct marketing communications. For the purposes of sending you such direct marketing communications/special offers, we will process your following personal data: name, e-mail address.

Such consent is voluntary. You can unsubscribe any time without giving any reasoning, free of charge. During the use of our website cookies are stored by your browser on your device. We store data sent by your browser and device to our website during the reservation process. We will only use such data in aggregated form for statistical purposes and to enable us further develop our service offering.
